Welcome back to summer!

At the Amesbury Recreation office we've been working all winter long to put together another super fun selection of summer programs for you and your friends in the Greater Amesbury area. We've added even more variety this year, so there's plenty to choose from to fill your summer calendar with weeks of excitement! Take a look through this year's catalog to find the programs that fit your summer vision. Programs are grouped by category and no two sections are alike, so grab a highlighter and get to choosing!

Registration begins February 19th at 8:00am

**To register for all of our summer programs please go to www.AmesburyRec.com.
Instructions are listed on page 18 of this catalog.**

Remember, nothing ends a program faster than waiting until the last minute to sign up. Many of our programs **have maximums and minimums** required to run them. If program minimums are not met, they will be cancelled! When program maximums are reached, we'll start a waiting list but cannot guarantee a spot for anyone who does not register before that time.

Thanks for spending your summer with us!
